

# Resurrection Catholic Church MEMORIAL PLAZA Commemorative Paver Worksheet

*The name of loved ones could become a  
part of our parish history!*

Resurrection Parish is beautifying the entry area in front of the church with 6” by 9” pavers engraved with names or other inscriptions. A \$50.00 donation for each paver provides up to three lines of type and up to 14 characters per line. A space between characters is considered a character.

Print your inscription request in the spaces provided below. Print your name, address and phone number and submit completed form for approval along with your donation to the parish office during normal business hours. Currently there is a limit of one paver per family.

Because of variables such as the schedules of our artisans and the weather, there are no guarantees as to how soon the tiles can be installed.
